## Using Your TiVo Remote Control

The remote weighs slightly more at the bottom than at the top, so you should be able to tell by weight if you have it facing the right direction. Also, the button at the top of the remote is the distinctively-shaped TiVo button. The bottom of the remote has a line of three buttons in a row. Feel for the large button in the shape of the TiVo.

### **XR2v3-R XR5v2-R**

remote until the status LED steps above using the next code listed for changes from red to green. 4 Enter the first code listed for the TV manufacturer. The status LED should flash green twice when the code is entered. 5 Press the TV Power button on the remote. If the TV turns off, you have successfully programmed your remote. Turn the TV back.
